Notice of Intent for the Offshore Subcategory of the Oil and Gas Extraction Point Source Category for the Western Portion of the Outer Continental Shelf of the Gulf of Mexico (GMG290000).

U.S. EPA Region 6 Offshore General Permits Mail Code 6EN-WC P.O. Box 50625 Dallas, TX 75250-0625

Instructions

This form is an optional form prepared to assist applicants in the completion of the Notice of Intent for the EPA Region 6 Western Outer Continental Shelf National Pollutant Discharge Elimination System permit [69 Fed. Reg. No. 194, p. 60150, October 7, 2004, in accordance with Part I.A.2. of the permit. The general permit language can be found on the internet a www.epa.gov/region6/6wq/6wq.htm. Operators covered under the previous general permit are automatically extended permit coverage without taking any action, and will retain the same NPDES permit number. Additional guidance on this permit may be found on the internet at www.epa.gov/region6/offshore.

When to File the NOI Form:

Administratively complete NOIs will be granted permit coverage effective on midnight of the postmark date.

Where to File the NOI Form:

U.S. EPA Region 6 Water Enforcement Branch (6EN-WC) P.O. Box 50625 Dallas, TX 75250-0625

Completing the NOI Form:

Please ensure all sections and requirements of this NOI form have been completed. Failure to submit a completed NOI will delay coverage as the omitted data will have to be requested and submitted prior to coverage. You will only receive SBM outfall assignment and Discharge Monitoring Report forms for those properties you identify as using SBMs.

NOI Certification: Federal statutes provide for severe penalties for submitting false information on this application form. Federal regulations at 40 CFR 122.22 require this application to be signed as follows:

For a corporation. By a responsible corporate officer. For the purpose of this section, a responsible corporate officer means: (i) A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who perfoms similar policy- or decision-making functions for the corporation, or (ii) the manager of one or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiating and directing other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; the manager can ensure that the necessary systems are established or actions taken to gather complete and accurate information for permit application requirements; and where authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

For a partnership or sole proprietorship. By a general partner or the proprietor, respectively; or

For a municipality, State, Federal, or other public agency. By either a principal executive officer or ranking elected official. For purposes of this section, a principal executive officer of a Federal agency includes: (i) The chief executive officer of the agency, or (ii) a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrators of EPA).

Who is Not Authorized Under This General Permit:

Facilities which adversely affect properties listed or eligible for listing in the National Register of Historic Places.
